SHORT-LIVED REPORTS or PERMANENT STORAGE: **RED SNAPPERS**

economy binding — 92-000 series

eliminates
paper-clips,
brass fasteners,
string, pins —
headaches

The ingenious Red Snapper post and lock is another National "first." Used alone or with light-weight covers it transforms reports into useable condition quickly and easily. A positive binding with split-second assembly. Five modern colors of pressboard in popular binder sizes, plus black in all sizes, make this unbeatable for your Daily and Exception Reports.

09-090

HANDY DESK PACK

Red Snappers, packed, priced and sold separately, are designed specifically for Data Reports. Boxed with handy post clippers, for a hundred department uses.
